7 Dividend or Distribution reinvestment plans in operation:

A dividend reinvestment plan (the Plan) has been established which offers eligible shareholders the opportunity to increase their investment in the Company by applying dividends received on some or all of their existing Ordinary Shares to the acquisition of additional Ordinary Shares. All shareholders with registered addresses in New Zealand and Australia are entitled to participate in the Plan. The subscription price of Ordinary Shares issued under the Plan will be at a discount of 1.5 percent of the volume weighted average sale price of the Ordinary Shares on the NZSX and ASX over the first five trading days on which the Shares trade ex-entitlement on the NZSX. For participation in the Plan to be effective in relation to the Final dividend which is proposed to be paid on 21 September 2011, a properly completed participation form must already be held, or will need to be received, by Link Market Services Limited (the Company's share registrar) prior to 5.00 pm (NZ time) on 9 September 2011.

14.3 Significant features of operating performance:

Refer to the media release.

14.4 Segmental results:

Industry Segment

Air New Zealand operates predominantly in one segment, its primary business being the transportation of passengers and cargo on an integrated network of scheduled airline services to, from and within New Zealand. Resource allocation decisions across the network are made to optimise the consolidated Group's financial result.

Geographical segment

An analysis of operating revenue by geographic region of original sale is provided below.

	Current Year	Previous Year
	\$NZ'm	\$NZ'm
Analysis of revenue by geographical region of original sale		
New Zealand	2,496	2,245
Australia and Pacific Islands	611	568
United Kingdom and Europe	374	389
Asia	397	393
North America	463	451
Total operating revenue	4,341	4,046

The principal non-current assets of the Group are the aircraft fleet which is registered in New Zealand and employed across the worldwide network. Accordingly, there is no reasonable basis for allocating these assets to geographical segments.

14.5 Discussion of trends in performance:

Refer to the media release.

14.6 Any other factors which have or are likely to affect the results, including those where the effect could not be quantified:

Directors' Declaration

By resolution of the board, the directors declare that:

- the financial statements together with the notes to the financial statements comply with New Zealand generally accepted accounting practice;
- the financial statements together with the notes to the financial statements give a true and fair view of the financial position and performance of Air New Zealand Limited and its subsidiaries as at 30 June 2011, as represented by the results of their operations and their cash flows for the year ended on that date.

In the directors' opinion, at the date of this declaration there are reasonable grounds to believe that Air New Zealand Limited will be able to pay its debts as and when they become due and payable.
