Interim dividend on Ordinary Shares	\$NZ'm	73	50

* Reflects the final dividend for the 2014 financial year and the final dividend for the 2013 financial year. Details on the final dividend for the 2015 financial year are provided in the first paragraph of section (d) above.

(iii) Significant features of operating performance:

Refer to the media release.

(iv) Segmental results:

Industry segment

Air New Zealand operates predominantly in one segment, its primary business being the transportation of passengers and cargo on an integrated network of scheduled airline services to, from and within New Zealand. Resource allocation decisions across the network are made to optimise the consolidated Group's financial result.

Geographical segment

An analysis of operating revenue by geographic region of original sale is provided below.

	Current Year \$NZ'm	Previous Year \$NZ'm
Analysis of revenue by geographical region of original sale		
New Zealand	2,917	2,736
Australia and Pacific Islands	639	682
United Kingdom and Europe	286	270
Asia	381	326
America	702	638
Total operating revenue	4,925	4,652

The principal non-current assets of the Group are the aircraft fleet which are registered in New Zealand and employed across the worldwide network. Accordingly, there is no reasonable basis for allocating the assets to geographical segments.

(v) Discussion of trends in performance:

Refer to the media release.

(vi) Any other factors which have or are likely to affect the results, including those where the effect could not be quantified:

Refer to the media release.

(l) Audit of financial statements

This report is based on accounts which have been audited. The audit opinion has been attached to the back of the financial statements and contains no qualifications.

(m) Major changes in trends in the business subsequent to the end of the financial year

Refer to the media release.
