

Tiaki script

On behalf of New Zealand,
I'd like to make you a promise
that when I'm all grown up, I'll show your
kids
the best way down this mountain.

I promise to take your kids out for a surf...
... at my favourite spot.

I promise to teach them the waiata (songs)
my kuia (grandmother) taught me.

I promise to give them a lift
to somewhere special.

I promise to invite them over for dinner...
... to show them where our sea creatures
live.

I promise to take an epic photo of them
here...
... and here.

But first, we ask that you,
the visitors of today, make a promise to
our future.

That while travelling around New Zealand,
you'll help protect and preserve our home,
caring for our land, our sea, and our
culture.

PROTECT NATURE
KEEP NZ CLEAN
DRIVE CAREFULLY
BE PREPARED
SHOW RESPECT

Please follow the Tiaki Promise.
